Join Dixie Chapter for outstanding physician-pilot oriented CME in the beautiful Hilton Head environment. Nestled amid lush landscaping on 24 environmentally-preserved acres, the fully remodeled ocean-front Westin Hilton Head Island Resort and Spa provides gracious Southern hospitality in a turn-of-the-century seaside setting. Located within the gracious Port Royal Plantation, The Westin Hilton Head Island Resort & Spa is set on a pristine stretch of sandy white beach along the Atlantic. Grab a chair and relax, take time out for yourself at the Heavenly Spa by Westin(sm) or get on a bike and explore.

The Westin resort is both a relaxing retreat and a hub of outdoor recreational activities. Twelve miles of white sugar-sand beaches and world-class golf are just steps away. Play volleyball, croquet, and tennis, or try one of many water sports. Enjoy dinner at one of the resort's two fine restaurants. You will leave the chapter meeting on Sunday feeling refreshed and revived.
